

The Muzzle Loaders' Association of Great Britain was formed in 1952 and is the Governing Body for muzzle loading within the UK.

Its objectives are to encourage an interest in muzzle loading firearms; to promote, regulate and safeguard their use; and to preserve their freedom of collection.

Collecting

Specialised knowledge is widely available to newcomers and authoritative articles in our journal are appreciated worldwide.

Musket & Rifle Shooting

Brown Bess, Enfield or the American long rifle; wherever your interest lies, most musket and rifle disciplines are catered for.

Pistol Shooting

Shooting with muzzle loading pistols has become immensely popular and is supported by a prolific selection of well made reproduction firearms.

Shotgun Shooting

National clay championships are held and local and regional shoots flourish. Many members enjoy wildfowling, game and rough shooting.

Postal Shooting

Postal competitions for a wide range of rifle, musket and pistol disciplines are open to all full members, Associated branches and affiliated clubs.

International Shooting

World and European Championships for muzzle loading are held and the MLAGB select and supports a strong GB Team.
