As well as accuracy, this competition is a test of your ability to concentrate and load quickly.

You may shoot as many rounds as you wish in the allowed 15 minutes.

The time will start with your cannon loaded.

Scoring -

Each hit inside the inner white zone is worth 2 points.

Each hit inside the centre black zone is worth 3 points.

Each full hit inside the 9 ring is worth 5 points.

A bonus of 5 points for each scoring shot will be added to the gun score.
