Ideally I would like to reserve a firing-point for ***				(2 half days max)				One half-day		Two half-days	

\*\*\* you must have booked at least 4 Scorecards for each half-day

On arrival you must sign in and we will need to see your *bona fides*— Membership Card(s) and “Shooter Certification Card (SCC)” for M-L pistols – you can get one from your Club Chairman. If you do not have one you *can* shoot if you are “supervised” by someone who has one, and it *may* be possible for us to make arrangements for this -- *please contact us.*

There is £2 off Registration if you are an *individual* member of MLAGB and/or SLRC and/or NRA. ) and also an EARLY ENTRY DISCOUNT (£2 off each Scorecard) **if you get the Entry Form to us by 30<sup>th</sup> JUNE.**

REGISTRATION includes ONE Scorecard. *Please ensure that you have shown this overleaf.*

Additional Courses can be entered in advance if you know what to shoot -- *fill in the form overleaf so we can prepare your Scorecards.*

OR you can purchase VOUCHERS and decide on Scorecards (with our help) when you arrive

OR you can turn up and see if there is range space on the day(s).

Registered Competitors take precedence and “Earlies” will pay the reduced Match Entry Fees “on the Day” as well.

There is a “2-pager” available to help you sort out the basics ---this includes a table showing common firearms and what they are eligible for. Just download it from < [www.mlagb-surrey.org.uk](http://www.mlagb-surrey.org.uk) > or < [www.southlondonrifleclub.org.uk](http://www.southlondonrifleclub.org.uk) >. There will also be more detailed R&Rs, notes on Firing-point procedures etc. , as soon as we can complete them.

If you are STILL unsure of what matches to shoot with the pistols/revolvers that you have, then you need our “What can I shoot with this?” form. Return it as an e-mail with “What can I shoot on the 9th?” as the subject -- AT LEAST 10 DAYS BEFORE THE MEETING (if sending it by post please include an S.A.E. for our reply) and I will try to help. Please be patient -- we are all unpaid volunteers!

AWARDS are scaled according to entry. PLACES – 1-3 firers = 1<sup>st</sup>, 4-6 firers = 1<sup>st</sup> & 2<sup>nd</sup>, 7+ firers = 1, 2 & 3.

After the PLACE Awards we give Skilled Shot Certificates to 20% of the entry; First Class Shot Certs to 10%, Marksman to 5%.

Obviously in some courses a 2-handed hold has a significant advantage, so for these we ALWAYS have separate Prize Lists, but where they have to be combined (i.e., one Prize List due to a small entry) we make Special Awards for the highest Offhand scores. The same principle applies for “Single-Action” in faster courses - and also Awards for “Open Frame” revolvers , “Originals” and others.

MATCH CODES are in the format --- [Class of Firearm] - [1 or 2 hands] – [Course of Fire] – (and sometimes also) [Single-or Double-Action]- e.g., S2-R-H means a STANDARD PERCUSSION REVOLVER, fired 2-handed –RAPIDFIRE, and Hammer-cocked (single action). Percussion Target Revolver can ONLY be fired OFFHAND, whereas in FREE REVOLVER you can use EITHER.

### REMEMBER –

(a) you may want to shoot the SAME firearm in the SAME Course using two different stances

--- e.g., shoot Standard Revolver SLOWFIRE both Offhand AND Supported;

so you would enter a 1 in the “Number of Entries” column for S1-S and ALSO for S2-S ;

(b) OR the SAME course with DIFFERENT firearms – e.g., shoot TIMEDFIRE with a “Colt” M1851 and a M1860, --- or BOBBER twice with both a Patriot and with a Smokeless-converted Ruger Old Army. – so you would put a 2 in the box;

(c) In theory you could use the same firearm FOUR times in some Matches! (e.g., a Standard “Remington” in RAPIDFIRE, or a “Westlake Alfa” in “SURRENDEN”)

I am making PAYMENT by BACS Sort Code 77-49-20 Account # 04753060. Please add your SURNAME and “RP JULY” as reference.	(tick)	<b>TOTAL</b>	
I am posting my Entry. ENCLOSED is my cheque made out to “MLA SURREY BRANCH”	(tick)	£	
I have a current “CERTIFICATE OF COMPETENCY” valid for M-L Pistols (Initial)	YES		NO
I agree to abide by the Rules and Regulations of the Meeting. All firearms used are “of proof” and lawfully possessed.	Signed & dated
